

PM:SFX

single user license agreement.

This license is a legal agreement. By buying and/or downloading the files you agree to the following terms and conditions.

This is a single user license valid for the lifetime of the original purchaser. The sounds are licensed, not sold, to you. AudioPhil holds the copyright to all sounds. The purchase of a license does not transfer the copyright ownership to you.

You may:

- 1A)** Use the sounds synchronized with audio productions or visual productions. This includes use in video games, multimedia projects and live performances.
- 1B)** Use the files royalty free in as many projects as you like.
- 1C)** Make a backup copy of the files for your personal use.
- 1D)** Transfer a copy of the synchronized sounds to a third party if this is necessary to finalize a project you are working on. For example if you as FX editor are delivering your contribution to the final mix of the product.

You may not:

- 2A)** Transfer this license.
- 2B)** Resell this license or the unsynchronized sounds.
- 2C)** Redistribute the sounds free of charge.
- 2D)** Claim copyright ownership of the sounds.
- 2E)** Resell or make the sounds available as ringtones.
- 2F)** Make the unsynchronized sounds available on a network drive or in any other way give a third party access to the unsynchronized sounds (except as described in paragraph 1D).
